“TO BRING A LITTLE MAGIC INTO PEOPLE’S LIVES”

That’s why our founder, Kevin, designed *Kaelo*.

Developed from an East London shed with a £10k loan from his mum and some help from his friends, *Kaelo* is a true story of turning an idea into a reality by bringing people together.

Kaelo is now at the centre of good times with friends and family around the world, and that’s definitely worth raising a glass for... cheers!

DID YOU KNOW...

*It's a myth that red wine is best at room temperature!
This was true in medieval times when homes were
much colder, but serving it at 12-18 degrees is
actually the best way to enjoy it.*
